important points.

1. At times, your personal data may be shared with third-party verification providers.

The data we share with third parties for verification are (verification data):

Your full name;

Your date of birth;

Your selfie picture.

Country.

sex.

2. We have customer service operations, certain payment providers and other social services based outside the EU.

When your personal data is transferred outside the EU you will lose your GDPR protection. By registering, you agree to the transfer of your personal data to all over the world - these offer customer service via an online portal and they will respond to any questions you may have. So by definition, be aware of the personal data they process because you contacted them with specific queries. They will not receive personal data per se but will access our systems remotely. Although your personal data will not leave the country where the company is located, the fact that it can be accessed and processed remotely outside the EEA constitutes data transfer. We conducted a due diligence on their activity and are pleased that your personal data processing complies with the GDPR.

The portal provider is GDPR compliant.

Please feel free to contact us if you need more information.

3. Receiving or receiving payments involves the use of third parties dealing with payments.

See section 4 of our Terms of Service. ; Receive payments from fans who view user content or both. To do this, you'll be dealing with third-party payment processors, but you will do so regardless of your balix membership.

4. All content is monitored by third parties to ensure that the network is legal and legal and does not interfere.

We are happy to share with you these service provider details. We will always conduct due diligence as we will share them with your personal data.

5. We will not post automated decisions that affect you.

Privacy Policy

introduction

balix is a social network that allows users to share their content; Other users enjoy content and some of them will both participate. We refer to those users who share content as "creators" and users who pay to see the content of creators as "fans." Most of this policy applies to all users but if necessary we differentiate between fans and creators.

When people in balix, they share some information with us. This policy governs the information we collect, how we use it and who we share it with.

We acknowledge that the legal basis for processing your data is that by participating in our social network you have contacted us and the data processing listed here is part of the same contract. The contract is the terms of service to which all users are party. As much as we need to monitor and monitor the use of our site which includes the published content, the creator who published it and the fan who came to the base content for that processing is to fulfill a legal duty.

If you have any questions about something in our Privacy Policy or would like to complain, please contact privacy@balix.com. We hope we can resolve any questions or concerns you may have about our use of your information.

Information we collect.

Whether you create or adore or both, there are three categories of information we collect:

- * Information you choose to provide us.
- * Information we receive when you use our services.
- * Information we receive from third parties.

Information you choose to provide us.

In order to open an account and use our services you will tell us:

1. Your name.
- 2 email address.
3. Min.
